LIONEL FOGARTY

Born 1958

Lives near Rathdowney,
Queensland

Lionel Fogarty was born in 1958 on Wakka Wakka land at Cherbourg Aboriginal Reserve in south-east Queensland. A Murri man, he has traditional connections to the Yugambeh people from the area south of Brisbane and the Kujela people of north Queensland

In the 1970s Lionel became involved in Indigenous rights, working with the Aboriginal Legal Service, Aboriginal Housing Service, Black Resource Centre, Black Community School and Murrie Coo-ee. He campaigned for land rights and protested against Aboriginal deaths in custody.

Fogarty's first collection of poetry, *Kargun*, was published in 1980. He has since published a further thirteen volumes including the Scanlon Prize-winning *Connection Requital* (2010), *Mogwie-Idan: Stories of the Land* (2012), which won the Kate Challis RAKA Award, *Eelahroo (Long Ago) Nyah (Looking) Mobo-Mobo (Future)* (2014). Fogarty's most recent publication *Harvest Lingo* (2022), published by Giramondo, was the winner of Queensland Literary Awards – Judith Wright Calanthe Award for a Poetry Collection 2023.

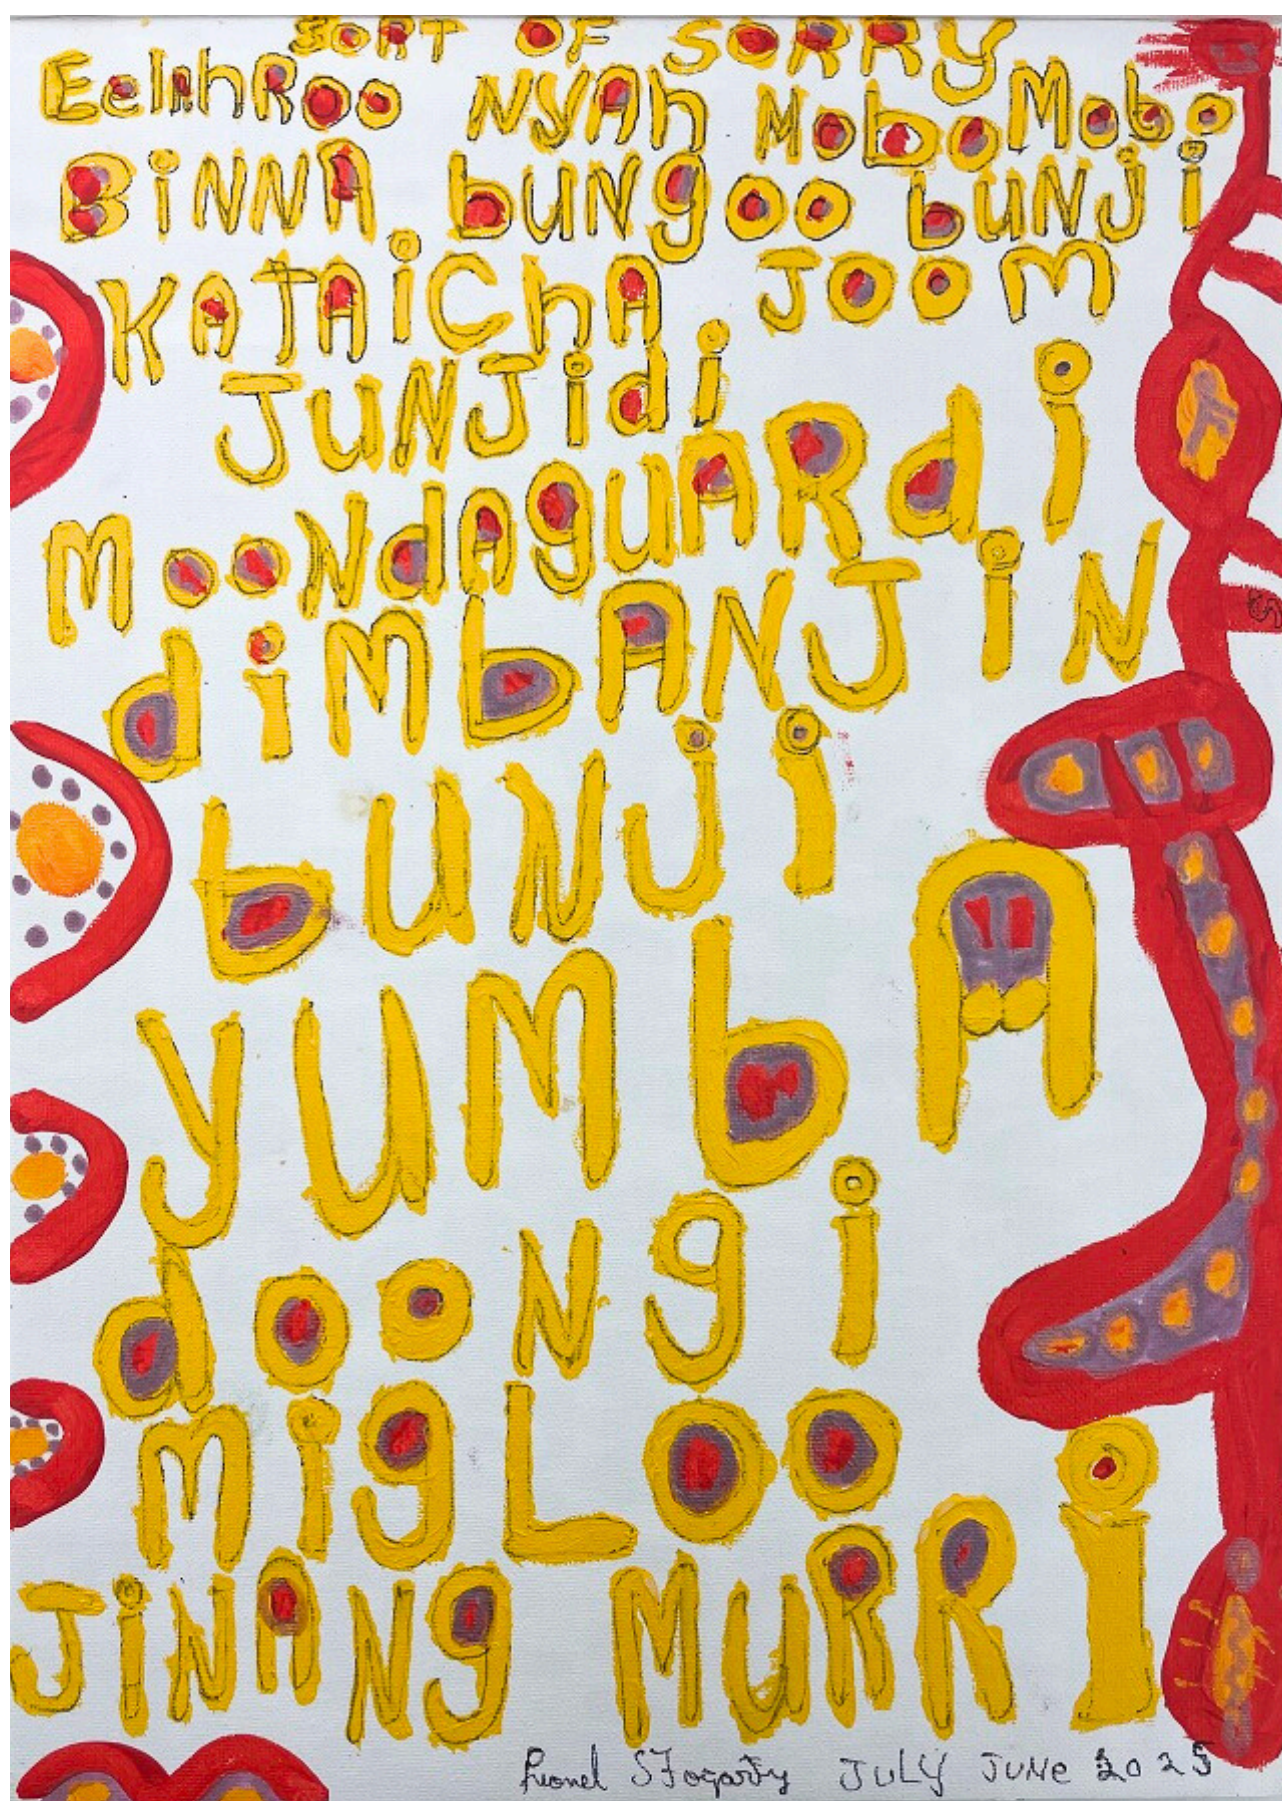

Fogarty's is 'a poetry of linguistic uniqueness and overwhelming passion' repurposing both English and the language of his people to confront colonisation and celebrate a deep sense of Blak-pride.

More recently Fogarty's paintings have given visual presence to his poems. His paintings tell of encounters between people and between cultures, address historical and cultural issues and political events, and pay tribute to important Indigenous figures. Fogarty's painted poems are intensely felt, bold and fierce and at times challenging and confronting.

In 2025 Lionel received a Red Ochre Award for Lifetime Achievement in Artistic Excellence at the First Nations Arts and Culture Awards.

NO PAIN IN RAIN

No matter who lands
Earth's our same lands
Matter what worlds depend
on cost and prices.
No matter whose blood we
Feed the same mouths
Matter what love, for most are lost
With sad out comes.
No matter whose the mobs loses will find
the SOBS
New Music seeds Flowers
OH but words needs the matter
Land Matter to every ones When done
Heart pumps the land Where they are in the

Too Fast Waters we drink
No Matter who mad, the

Black Gum Trunk

We tree reach a cheer
for young gum tree
It's cloud branch twigs
are prides of beauty
Gum fetched sweeter
as the leaves climb.
Death tracks lost brown leaves.
Hug sugar gum numb
bough wrinkles edge
of limbed native boughs
The trespasser stares at gum tree
Oh, breasts great warns not swinging
of a daring sharpened axe.
Laid. Spread out. Poor gum trunk done.
The legends glance grimly at young gum seeds
silent decayed
uprightness became cheered.
Time trades. Beware. Gums everywhere.
Earth setback. Green richest for one second
shadows pass their loneliness

Love Rules

So what I'm in breeze
U think begun making believe
where you fella safe
wear everything first skin
nice colour abundance your thirsty positive inferior
Eternity rare travelled instrumental wiseness
Came came sooner than distance
greed, perfection, desired our melody
aw come on, permission plenty
giving heartbeat for govin'
hypnotized faded harvests
all horizons relate to crawling knees
infinity dreams
I rest my immenseness
Consciousness laps but the climax
battled to become 'damage lunatic'
hear
listened soulful conclusions
inside regenerated vengeance my mine
matters with time.
Stimulating space came pailing
wailing, sailing, healing, fork tongued people.

Vibrating notes must dig in complicated rhythms
growing silent, oh oh
tunes enhanced my awaited unsaid love.
Fury exploring improvisation
oppress weaponed rooftop man.

I am breezing precious casualties
to our sprung up weakness
our thirst might hide abundance
but we betcha immortal bodies
pleasure is what we want
is your naked jewel eggshell newborn
fragiled tomorrow
bleeding death again I sneak wretched messengers
calling striped feathered willywagtail
purple storms undoubtedly divine
the family whose slaughter is in
its final progress.

Urban Black Fantasizes

At home I sat looking at my face, thinking I saw fame
Instead it cursed the sanes that I let get lapped
Then, my mates came, meeting me again as they enter
Me words shot 'Get away you mongrels, get'.
I did a fast hop like running
Climbing trees, reaching leaves
Sneaking pass hidden caves
Doors ride up, sores burning my feet
Pass down that flagon, let the hour go out courageously.

Waking now. Seeing my people say we are free
But, freeing belted open seals.
My head putting at up when coming close to white
Still blacks come showing white ways
My talking go down
My head lows
Working all life laughter
at jokes, upset
Yes they think funny
Cause they make it about me history.

Once we smiled funny, big
And patting him, call us 'blackie whose got no backing'.
It all good, we happy together
It must be no good
You grin, then sing
Think. Was we supposed to take away waterfalls?
Was you given what old spells got?
Don't do what your anger tells you
Sing
Sorry, sorry, my hunger caves hide away
till your food poison clean babies.

Space of time infringes hunger into love,
invisible anger
unseemingly hungerly love.

Went over seas, skies looked right up
Our Dreamtime
vanished into past, glorious dreams of dawns.

No. Crush root plant in hands
red 'til forms level out your own image
soils and naked skinned beings axed 'wards many wondrous
freely splashed people
roaming silent, asleep around camp fire burned out.

Laughter came.
Lightning claimed aloud
Fella proclaim
You are now trespassing on my land.
Clasp. Grabbed me naked
raided me to court, jail
Me words shot, 'Get away you mongrels', get

There was no historical harbour for it was bought
 There was no business in set up built to last, for it was bought
 There was still is no Australian marble tropical values
 for your all didn't bring this new crimes
 There was no black up mast rigging as no rich
 kids happen, ... bathans where it's deep bones

Now prostitutes are laws made an makers scheme
 appropriate the native griefs as if a dead
 pay a cost to shield a coffins off thousands

Now on lined moment contract risk and doings
 Now few politicians tear no don't feel tractor running
 over edge towns noticed by reduplements
 Life must fluctuates golden harvest by exchanged
 passions rate above blink neon signs

Life slogan's growth alone with rich wise markets
 Life seen glare footpaths not made yet are cumulus

Leviathan made the first facility for porching word evil
 over shadow, that white flowers are faces
 to remember fluttering Neocolonializing

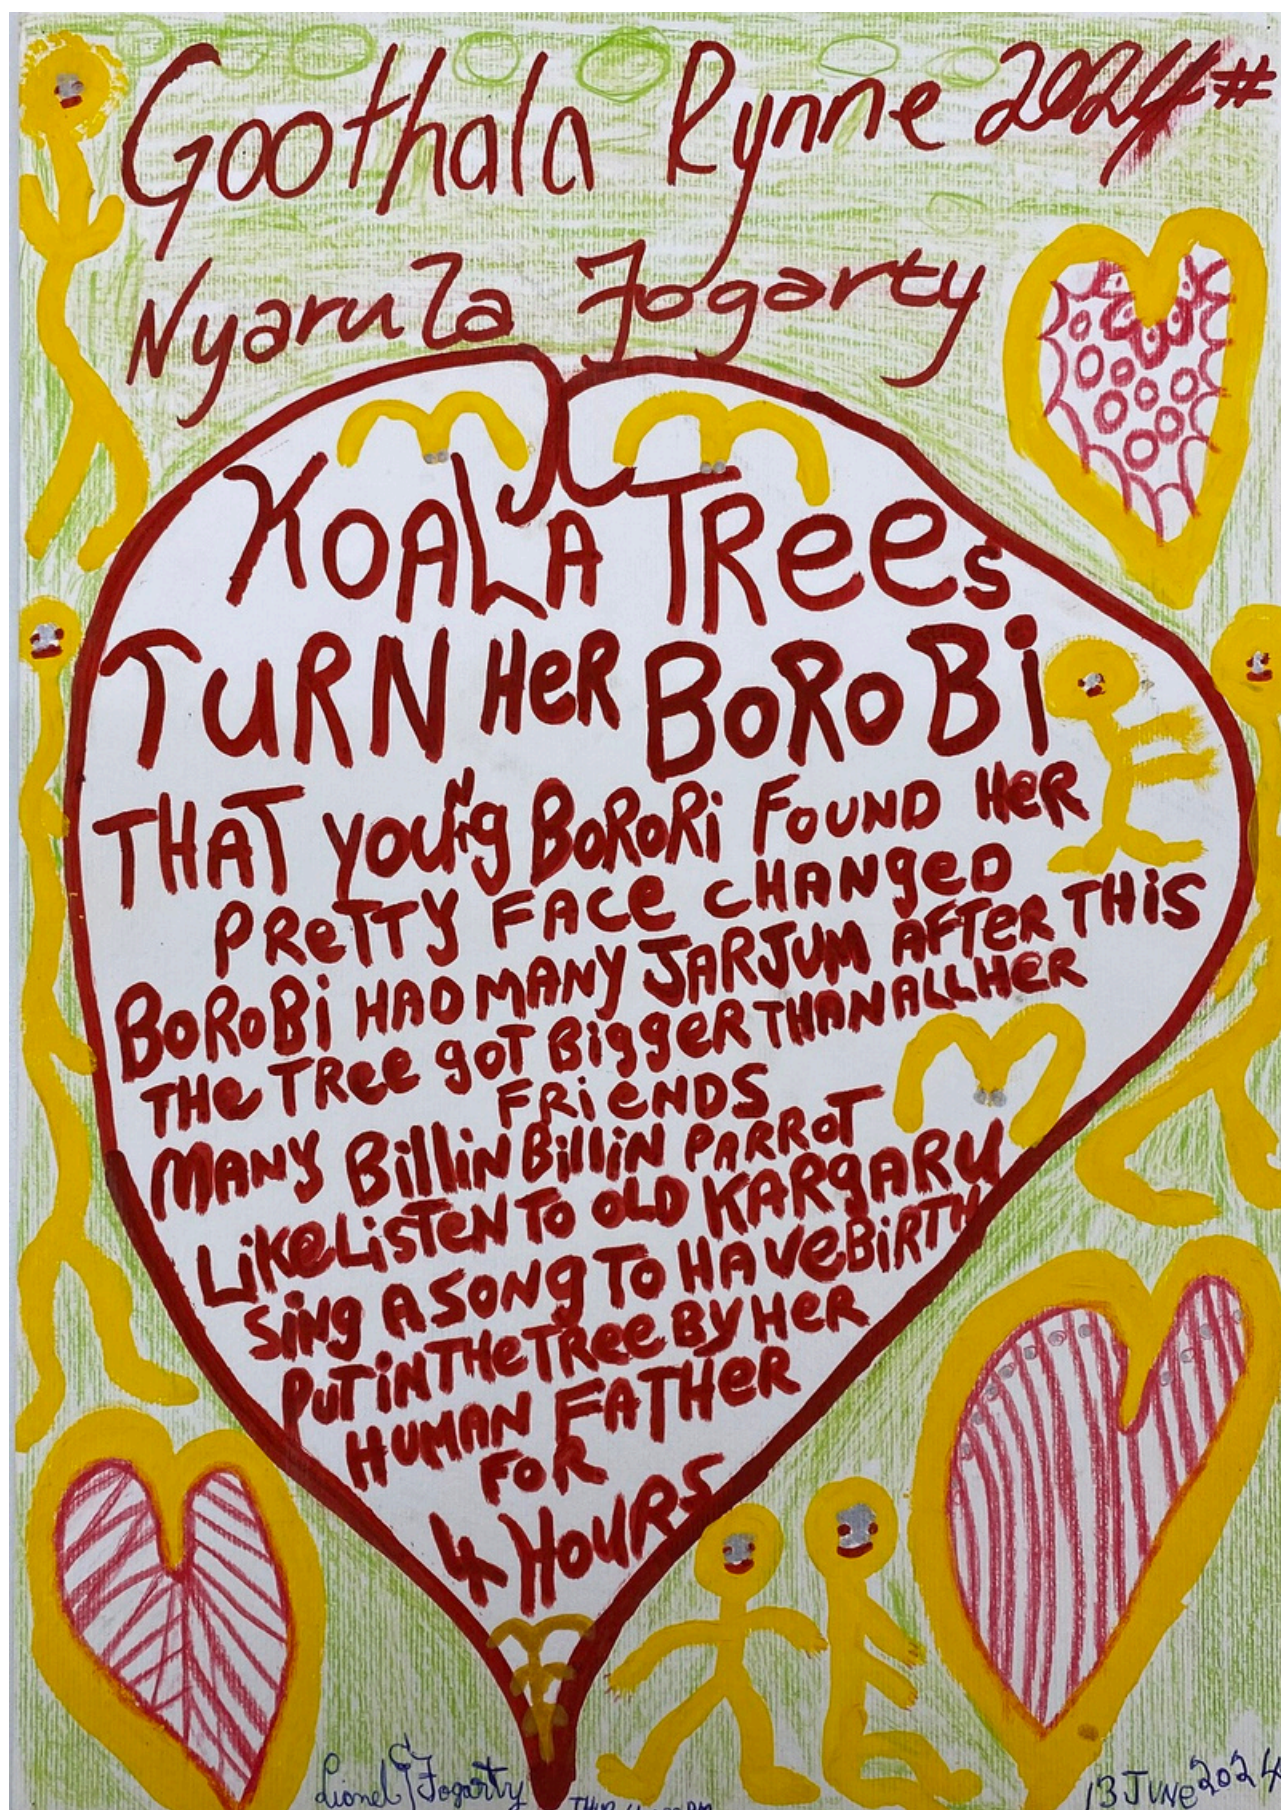

Colour invest separation when on race runs devices
 Colour where done is blinds a human lights at
 turns experience to suicide genetic

Poverty circuit everyday in wary mind looks as
 if the spirit is no given food

Poor temptation are alone porters undressings
 There history as no history when bang here off now
 we got to put up with pitiless modernity discovers
 There was no love when perfume smelled good. now fugitive
 spiteful oil presser filtered there traffic tidal
